Singapore, 28 June 2019 — At the 4th annual [AIA Charity Golf 2019 event](#), AIA Centennial Fund raised a record S\$362,000 for beneficiaries of Children's Wishing Well, AIA Singapore's adopted charity. With the generous support of business partners, staff, and financial representatives, the funds will benefit education, wellness, and enrichment programmes to nurture children and youths from disadvantaged backgrounds.

Mr Patrick Teow, Chief Executive Officer of AIA Singapore, said, "We are incredibly thankful for the generosity and support of our corporate customers, business partners, staff, representatives, and fellow members of the community for coming together to help the youths of Children's Wishing Well achieve their dreams through this [AIA Charity Golf](#) event. We are happy that we are able to do our part for the community and make a difference to the lives of our future generations."

Founded in 2002, Children's Wishing Well has supported thousands of children and youths from low-income families, through providing for their educational and daily living needs, equipping them with future-ready skills, and building a strong foundation for them to improve their quality of life.

Mr Trevor Xie, Founder and Director of Children's Wishing Well, added, "For Children's Wishing Well, our aim is to turn the tables for the less-privileged by seeing them not as 'what's wrong', but **'what's strong'**. We are grateful for AIA Singapore's unwavering support in our belief, so together, we can create better opportunities for children in need to realise their full potential."
