AIA Singapore Extends COVID-19 Support **18 June 2021**

In light of the ongoing impact of COVID-19, AIA Singapore will be extending its COVID-19 support as follows:

- AIA's Integrated Shield Plan (IP) coverage for COVID-19 vaccination complications that result in hospitalisation will be extended to cover the use of vaccine(s) approved by the World Health Organisation (WHO) under its Emergency Use Listing (EUL) and administered in Singapore under the Special Access Route (SAR). This is in line with the Life Insurance Association, Singapore's (LIA Singapore's) 17 June 2021 update on IP coverage for COVID-19 vaccine complications. This special IP coverage for all COVID-19 vaccinations in Singapore will be provided until 31 December 2021.
- The free AIA COVID-19 special coverage for 2.6 million customers will be extended until 31 December 2021, including staff and their dependents, as well as AIA Insurance Representatives.

AIA Singapore stands by its commitment of comprehensively protecting Singaporeans, taking concrete steps to ensure they have peace of mind when they need it most, and delivering on its promise of enabling healthier, longer, better lives.

Free AIA COVID-19 Special Coverage extended until 31 December 2021:

All eligible customers will automatically benefit from this free additional insurance cover with immediate effect. This includes new customers whose policies are issued between 1 January – 30 November 2021. No action or additional purchase is required.

Benefits	Coverage amount (Lump-sum payout)
Death benefit A lump sum benefit shall be paid upon death of the insured person, passing away in Singapore as a direct result of COVID-19.	S\$25,000
Hospitalisation income A lump sum benefit shall be paid for hospital admission resulting directly from COVID-19.	S\$1,000

Since first offering its free COVID-19 special coverage, AIA has provided financial support to more than 500 customers diagnosed with COVID-19.
